

The facts about Stop & Shop's wage proposal.

- Pay increases for ALL associates.**
- A wage package **among the best UFCW retail contracts in the country.**
- No changes to Sunday time-and-a-half premiums** for current and future full-time associates. Current Sunday premium dollar amounts for current part-time associates.

In their first year, future part-time associates would receive Sunday premiums of the greater of \$1/hour or the minimum required by law and, after that, the greater of \$2/hour or the minimum required by law.

- There are fewer than 100 associates (out of 31,000 in New England) who would receive bonuses annually rather than an hourly wage increase.
